was as tangible a Robe of Grace as was the White Garment which He Himself wore. Likewise, the whole planet was benefitted by the radiation of His Presence.

Be careful, therefore, how you speak, because every time you speak a word, ENERGY rushes forth from your mouth and creates a thought-form composed of the pattern of your lifestream. If Saint Germain were to pronounce the word 'cat', that form would be composed of myriads of little open-ended crosses, and if Lord Buddha said the word 'cat', His thought-form would be composed of tiny lotus flowers. It behooves us, then, to be careful how we use our energy, because according to the manner of sending it forth do we receive Happiness or otherwise in its return.

Blessings and Love,

MAHA CHOHAN

I would like to describe to you the Heart of God. It is a task that I cannot, faithfully, put into words, but I would like to at least stir your interest to the point where you begin to journey, through the medium of your consciousness, deeper and deeper and deeper into that Stillness which forms the Sacred Heart from whence has come forth into being this Universe and all of Us - small and great alike.

It is HOME in its truest and deepest sense. It is Security and Safety and Understanding and Love without censure and Peace without price. It is Light such as the most exquisite sunshine that your imaging faculties could conceive, and yet It is as restful as the twilight. It is as silent as the sun in the heavens in the performance of Its Cosmic duties, and yet it is filled with sound in perfect harmony. You might say It is every pair of opposites in their perfect sense - without dissensions or imperfections of any kind - for every quality has two poles - silence and sound - activity and stillness; although mankind has falsely created in this world of form an opposite to Love, which is hate - an opposite to Silence, which is noise.

However, within this great Cosmic Heart is a Realm; Saint Germain calls It the Great, Great Silence. Jesus called It the Kingdom of Heaven. Others call It the Sacred Heart. David called It the Secret Place of the Most High. I call It the Power of Love Divine; but whatever Name It is

called, It is the ultimate Goal toward which all Life is journeying, and It can be experienced by the evolving consciousness of any unascended being when he has become still enough.

Once you have entered into the Heart of that exquisite Stillness where you will meet with every Being Who has mastered the outer self; where you can see the full design of God's Plan for every creature; you will, like Myself, never leave It again; but you will work from within that Heart, abiding in Perfect Peace. Your physical heart is a replica of the Great Cosmic Heart of the Universe, and through the door of that Heart you can enter the place of Stillness, and you will find It increasing and becoming more tangible as you practice the cultivation of that Inner Peace.

I smile when I see the mankind of Earth so intent on travel and vacation when they may go into this Inner Realm on a breath and come back more restored than any resort or any physical sunshine or water spa could manifest for them.

Dear children of My heart, I implore you to enter deep, deep, deep into the Heart of the Silence and know for yourselves the Fullness of Life that is there for your health, enjoyment, prosperity and peace.

Blessings and Love,

MAHA CHOHAN

Humility and Grace are both of Spirit alone. Neither can be brought under control by the outer senses of man, for each quality is given through man by the Breath of the Spirit of Life.

Humility is an inner reverence letting the Power of Life express or flow through the Cup of one's consciousness with no effort of the outer senses. In this way, Humility, like the Sun from the Heart of Helios, flows forth in quiet gentle streams of life - a blessing and an anointing on all life.

Grace of the Spirit is that Beauteous, Joyous, Effervescing Happiness of Life that, from within the hidden inner depths of men's hearts, makes each of them a delightful companion to all everywhere - be it in Heaven or on Earth. The Grace of Spirit shines forth from him who knows his oneness with all life; who is willing to join himself with other forms - no matter where - thus making a greater, firmer bond of Spirit whereby man shall know himself as Spirit - not flesh.

Dearly beloved hearts of Mine, I offer to each of you the Gift of My own Humility and Grace of Life. It may be for you, each one, a living, breathing, pulsating, eternal Reality with each breath you breathe if you so desire. It needs only your acceptance, and then sustained consciousness of that oneness with Me. This does not mean that your thoughts must constantly be on Me, but each one of you must learn to live where
